CLUB OLD BAR EMERGENCY EVACUATION CENTRE UPDATE

Works are well underway at Club Old Bar with the re-roofing and air conditioning work expected to be completed by the end of October. We are very appreciative of the work carried out by Faircloth and Reynolds together with Glen Roofing that will greatly enhance the amenity of the Club.

Building work will be carried out by BHI Builders on the shower rooms, kitchen storage area and bowls locker room is progressing well. Whilst there has been a short delay in the construction of the new covered walkway, advice from Stable Sheds is that the work to complete this structure should commence by the end of October.

Once the air conditioning and re-roofing work has been completed and the scaffolding removed, work will then be able to commence on the installation of the new generator, roof covering and gated enclosure.

CLUB WEST HAS A FRESH NEW LOOK

Works have also commenced at Club West, with new doors, a fresh new paint job and new gardens soon to come. We are loving this new look and hope you do too! Head to the Club to check it out- and while you're there grab a meal from The Oasis Bistro- open Tuesday to Sunday for Lunch and Dinner.

JUNIOR DOLPHINS

Rookie Rollers have been such a big success on Friday Nights at Club Old Bar, that the next stage in our Junior Bowls Development Program is being implemented- Club Old Bar & Club West proudly introduce the Junior Dolphins. The Junior Dolphins are for young people aged 12-16 who are interested in bowls on a pathway to becoming competitive bowlers and will receive professional coaching.

The Junior Dolphins will train in conjunction with the Rookie Rollers, every Friday night from 5.30pm at Club Old Bar. Rookie Rollers are now supported by the NSW Government Active Kids program- so if you still have your \$50 vouchers, come and use them with us! Rookie Rollers is just \$10 per child per week and includes their dinner afterwards- amazing! No need to sign up for an entire term, just come down to the Club on a Friday night and give it a go.

MILESTONE REACHED - CLUB OLD BAR

Marlene Morrison, has just celebrated her 90th birthday. Marlene descends from a family that has been in the area since 1853 and was born Marlene Nelson to a farming family in Bohnock. Marlene moved away to Sydney to work for a bank but returned home to retire in 1992. With the question of "what to do in her retirement" Marlene was encouraged to learn to play bridge by her neighbour Keith Marchant. Marlene has been playing bridge now for over 30 years – a third of her life! Old Bar Bridge Club put on

an afternoon tea to celebrate the occasion. Liz and Tim Shappere made a garland of 90 paper candles to drape around her shoulders as she was not able to blow out 90 real ones.
