DAY 4: (B, D) MOGO, TILBA & TATHRA

Fri 28th February 2025

This morning we start our travels exploring the Sapphire Coast, making our first stop at Mogo Zoo. Mogo Wildlife Park's resilience shone through its remarkable survival during the devastating Black Summer bushfires. In the face of raging flames that threatened the park's existence, the dedicated staff, led by Zookeeper Chad, displayed unwavering courage. Their swift and strategic actions, including the evacuation of animals and fortification of enclosures, played a crucial role in the park's survival. The community rallied together to support Mogo Wildlife Park, showcasing the strength and solidarity of the Eurobodalla residents. Next up, we visit the little town of Tilba Tilba. Enjoy freetime browsing the main street lined with cafes and boutique stores. Grab a bite to eat for lunch while you're here, before we make our final stop at Bega today. In Bega we will visit the Heritage Cheese Centre where you can purchase some of their world class produce. This evening we make our way to the coastal town of Tathra. Our accommodation is at the Tathra Hotel Motel, which was first opened in 1888 and is heritage listed. Perched on the headland and surrounded by beautiful coastline, the Tathra Hotel has been a welcoming meeting place for over 100 years. Here we will enjoy the charm of a traditional country hotel. The Tathra Hotel is also home of the Humpback Brewery (since 2018), an Independent Craft Brewery which operates inside the Tathra Hotel! Dinner tonight is at the hotel. Today's touring takes us south to Eden. Twofold Bay is the third-deepest natural harbour in the Southern Hemisphere and has a long associated history with whales. This morning we will visit the Killer whale museum and learn about these amazing and majestic mammals. The Eden Killer Whale Museum offers visitors the chance to discover the intriguing story of the unique working relationship between the whalers and killer whales of Twofold Bay. The skeleton of "Old Tom", the most famous of the killer whales is on display as are artefacts of the shore-based whaling industry which operated in Eden from the early 1800s through to the 1930s. The EKWM was established in 1931 and overlooks the north arm of Twofold Bay. Visitors can take in the magnificent views from the deck and catch glimpses of migratory whales and seabirds as well as dolphins and seals. This afternoon, we pay a visit at Oakland Barn. The design of historic Australian rural buildings were used as the inspiration for the architecture and decor of Oaklands. With so much happening everyday at Oaklands, you can enjoy a variety of businesses all in one place.
